

## February **REMINDER** from Parents in a Pinch

FEBRUARY 2012

# February vacation week: Need backup care?

Vacation week for many kids begins Monday, February 20th. If you have to work one or more days, we can help out with keeping your kids happy and occupied! Invite a friend over and we'll take care of both. If you're a corporate client, chances are that you have plenty of days left in your backup care "bank." Take advantage and take a load off your mind. If you're looking for things to do that week within driving distance, click on the link below for a bunch of great suggestions!

To request care, simply give Parents in a Pinch a call at (617) 739-5437 ext. 114 or 1-800-688-4697 and a thoroughly screened and experienced childcare provider will come to your home. In Massachusetts, New Hampshire and Rhode Island, the hourly rate for the caregiver is \$15.00; in other locations, the rate ranges from \$14.00 to \$18.00 per hour. In some cases, your credit card will be charged for the appropriate fee once the hours of care are confirmed.

You can go to work knowing your children are in good hands – and having fun! (But be sure to call soon to make sure that your children will have a fun playmate for that week!)
