

Wellesley Intramural and/or Club Sport Program Assumption of Risk and Release of All Claims

I am a participant in and/or I am about to participate in the Wellesley College Intramural and/or Club Sports Program. I hereby acknowledge that I am participating voluntarily in intramural and club sport activities with the full realization that this activity can involve a significant risk of bodily injury, including permanent disability or death with consequential severe, social and economic losses, including damage to property, myself and others.

I agree to accept all costs of any nature arising out of bodily injury or property damage sustained through participation in intramural and/or club sport activities, recognizing that any uncovered medical expenses or any other costs will not be assumed by Wellesley College. I certify that I have no known medical condition that would preclude my participation and that I will not be under the influence of alcohol or other controlled substances while participating. I agree that in exchange for the privilege of participating, I will, prior to participating, inspect the facilities and equipment to be used and if I believe anything is unsafe, I will immediately advise my coach or supervisor of such conditions and refuse to participate.

I further release, waive, and discharge any rights to hold liable or institute a lawsuit against Wellesley College, its officers, agents, or employees, for bodily injury, damage to my property, or wrongful death that might arise out of my participation. It is my intention by signing this release to certify that I am fully responsible for my participation and activities of the Intramural and/or Club Sport Program and therefore hold harmless Wellesley College.

I hereby certify that I voluntarily sign this release, that I have read of its provisions and fully understand its significance. I also certify that I am at least 18 years of age as of the date of my signature on this release and waiver.
