FOR WELLESLEY COLLEGE OVERNIGHT VISITORS

Welcome to Wellesley College! Campus visits are an excellent opportunity for you to learn more about life as a Wellesley student. We encourage you to experience the various academic, social, and residential components of a Wellesley education. As a guest, you are required by Wellesley College to assume the same responsibility for your own actions that Wellesley College students assume.

Please read the following and sign your name to indicate that you understand this statement. If you do not understand the statement or how it applies to you, please speak with a member of the Wellesley College admission staff.

I am aware that although Wellesley College has agreed to host me overnight, neither the Office of Admission nor any other office or personnel of Wellesley College will be supervising me at all times during my stay on campus. Visiting students, like enrolled students, are responsible for their behavior as adults within the expectations described below.

I am aware that participants in the campus visit programs are required to abide by Massachusetts state law and the Honor Code which governs students enrolled at Wellesley College. I acknowledge that Massachusetts law prohibits all use of illegal drugs and prohibits the drinking of alcoholic beverages by persons under 21 years of age. I acknowledge that the Wellesley College Honor Code requires every student to uphold and obey all duly adopted rules of the College for the government of academic work, for the use of College resources, and for the conduct of its members.

Further, I understand that any negative behavior during my campus stay will be considered by the Admission Office. Any violation of the rules stated above or any damages to Wellesley College property may impact my application to Wellesley College.

My signature below indicates that I have read all statements above, that I understand their content, and that I agree to comply with the above requirements.
