Your Thoughts...

What does it mean to you to that your daughter chose Wellesley?

Continued on reverse...

Has your daughter's enrollment at Wellesley changed your perception of the College or your feelings about philanthropically supporting the institution? If so, please explain.

Would you like to share any favorite prior experiences with parent volunteerism and/or fundraising at your daughter's secondary school or other children's colleges?

Is there anything else you would like the College to know at this time?

Thank you for your feedback!
