

Your Decision

Congratulations on your acceptance to the Wellesley College Class of 2016!

You must respond to our offer of admission and submit your deposit
by **May 1, 2012**. Please follow these instructions:

1. Please log in to your MyWellesley portal at **<https://my.wellesley.edu>**.
(If you have forgotten your MyWellesley log-in information, visit the following web page:
<https://esapps.wellesley.edu/applicant/GetApplEmail.jsp> and use our automated service to retrieve it.)
A “Response” button will appear in your MyWellesley portal beginning March 23.
2. Click the **“Response”** button in the bottom right corner of your MyWellesley portal.
3. Continue to the **“Decision”** page. Respond “yes” or “no” to our offer of admission.
4. If you respond “yes,” you will need to continue to the **“Enrollment Form”** page and answer four questions before submitting your general deposit payment. You will be asked to acknowledge that you have not submitted an enrollment deposit at any other institution, update information regarding your citizenship and current address, and indicate whether or not you are considering requesting a one-year deferral.

(Please Note: If you have been awarded a **“Deposit Waiver,”** this system will recognize this and you will be directed to the “Confirmation” page.)

5. Continue to the **“Payment”** page to make a \$300 online payment, which will complete the enrollment process. You will have the following options to make your online payment:

CHECKING OR SAVINGS ACCOUNT: You will be asked for a checking or savings account number and your bank’s routing number to make your online payment.

CREDIT CARD (Mastercard, American Express or Discover cards only): You will be asked for your credit card number, expiration date and security code. (Please note there is an additional processing charge of 2.99 percent for using a credit card to make your payment.)

WIRE TRANSFER (for international students only): International students will have the option to make a wire transfer payment using peerTransfer wire service. To make a wire transfer payment, click on the wire transfer link on the “Payment” page of your online enrollment form.
6. If you make a payment using a checking/savings account or credit card, you will be returned to the **“Confirmation”** page to acknowledge receipt of your enrollment form and deposit. If you make a payment using peerTransfer, you will receive a confirmation number from the peerTransfer website, but you will not be returned to a confirmation page. You should record your peerTransfer confirmation number and consider it your final confirmation.
