Example: HIV, long term medical illness.			

\*\* If you have identified a mental health concern, please request documentation from a current therapist addressing your readiness to study abroad. Please have the therapist identify what services/supports might be required on-site if a concern was to arise while abroad. If you do not have a current therapist, please contact the Stone Center (extension 2839) to have a mandatory evaluation. Submit this outside documentation to the Stone Center.
