W

2010 ALUMNI/AE PARTICIPATION RATE  
AMONG PEER SCHOOLS

You won't believe who's ahead of us.

## Help bring our numbers up!

The percentage of alumnae who give annually to Wellesley is a key factor in determining our national ranking among top schools. And when attracting the next generation of brilliant Wellesley women, the higher our ranking, the better.

It's time to catch up! Here's how.

[First, make your gift.](#)

Every gift is appreciated and every gift helps get our participation numbers up.

[Next, spread the word to your Wellesley friends.](#)

Text them, forward this email, "like" our [Facebook](#) page, and follow the campaign on [Twitter](#). And ask your friends to join you.

[And then check back to see what happens.](#)

**Please give today!**
